

Beverly Hills Mansion

Los Angeles, California

7 Bedrooms and 5 Baths

Beverly Hills Custom Home in French Provence style with 7 bedrooms and 5 bathrooms. 1027 square meters. Wonderful floor plan with a contemporary look and feeling. Large corner lot. Walled motorcourt with guest parking in front and a romantic garden with fruit trees, willow trees, rose garden, waterfall, spa and a stunning kidney shaped pool in the rear. The Entry way leads to a bright living room and family room which looks out to the beautiful garden, spa and pool. Large sliding doors from the living room brings you out to the bricked walkways and barbeque terrace. Wonderfully curved staircase leads you upstairs to the two Master bedrooms with a two way fireplace and two big walk in closets and dressing area. Newer master bathroom in marble. Large country kitchen with Viking Stove, Zub Sero refrigerator, center island and breakfast room and next to it a very inviting Dining Room surrounded by glass and mirrored walls overlooking the gardens.

US\$ 4,188,000
