

## Chinatown 2 Bedroom Apartment Manhattan, New York City

**US\$ 649,000**

**2 Bedroom and 1 Bath. 98 square meters. \$695 monthly fee.**

**You can see the treetops of the tranquil park-like setting of this spacious unit with wide open views from every window.**

**There is a feeling of openness as soon as you enter the foyer of this 2 bedroom unit featuring generously proportioned rooms, with a larger than normal NYC kitchen (with windows), a separate windowed dining area, new thermopane windows, and many closets.**

**This apartment is walking distance from all the downtown neighborhoods – Chinatown, the Financial District, TriBeCa, Little Italy, South Street Seaport, and the Lower East Side and it is within 5 minutes from public transportation. The building is surrounded by an expansive beautiful garden with a Koi pond and children's playground. There is also 24 hour security and video surveillance, private parking, a community room, a large library book-sharing room, and a game room with kitchen facilities.**
