

New 3 Bedroom Townhouse Chatsworth, California

US\$ 459,995

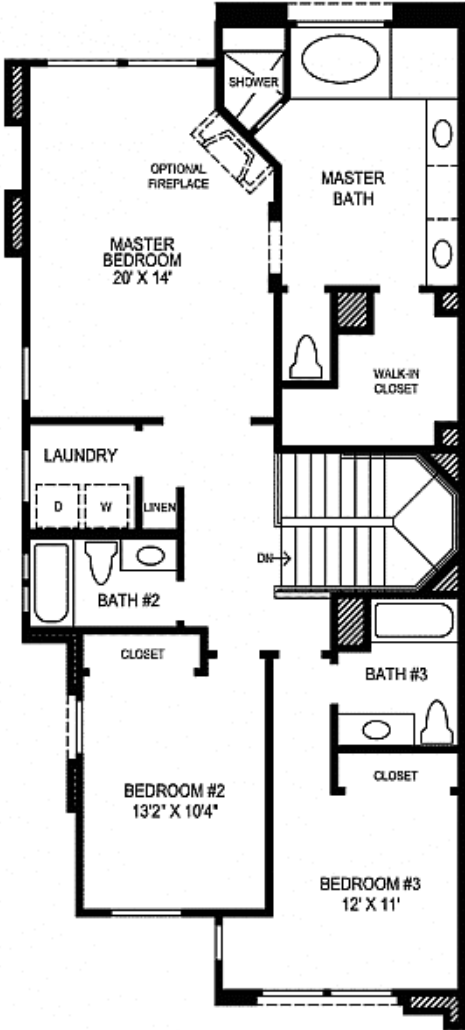

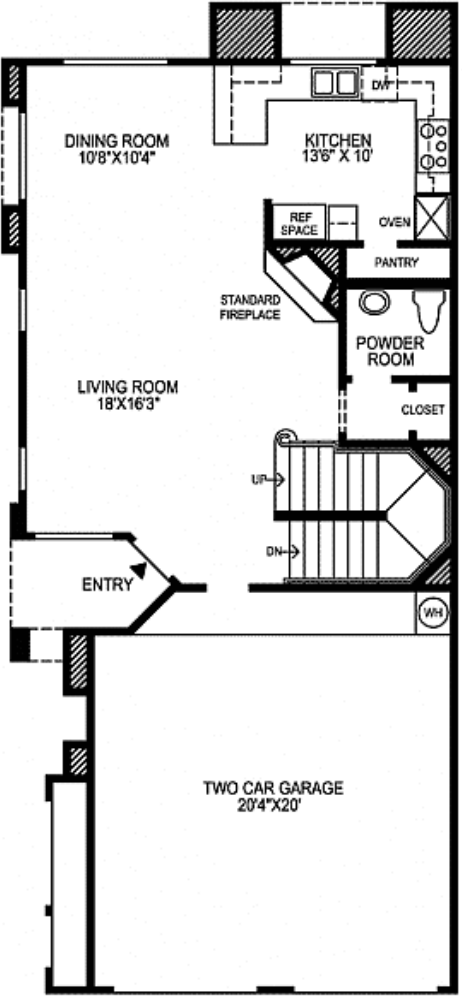

This delightful three bedroom townhouse boasts approximately 176 square meters of ideal living. The living room and dining room have an open design featuring a cozy fireplace. The master bedroom offers a walk-in closet and dual vanities in a luxurious master bath. The laundry room is conveniently located on the second floor. The house is under construction so you can customize the features and details.

The location is a luxury community located in an intimate corner of Chatsworth. This neighborhood features 65 modern, new homes located in the heart of Chatsworth's fine dining, entertainment, recreation and shopping centers. Convenient to the 118 freeway, this community showcases spectacular views of Los Angeles' city lights while creating a luxurious haven just beyond the metropolitan area.

- 2 story, 176 square meters
- 3 bedrooms
- 3.5 bathrooms
- 2 car garage.
