

Pasadena Foreclosure Los Angeles, California

2 Houses totaling 8 Bedrooms and 7 Baths Bank Owned

This bank owned home has seen tremendous remodeling and features a separate attached 1,400 square-foot guest home at the rear of the structure. Front house is spacious and remodeled and every bathroom has its own bath. Cozy fireplace in the living room and open clean kitchen. There is a large elevated deck off the upstairs rear bedroom and a balcony along the entire front of the house. Long driveway and large attached garage accommodate several cars. The structure is under title as a single family residence. This is an outstanding property for a large extended family

US\$ 598,000
