

Redondo Beach Townhouse Los Angeles, California

3 Bedroom and 3 Bath Townhouse

Contemporary townhouse has been recently upgraded everywhere. Enter through a large courtyard patio complete with a Koi pond. Other amenities include crown molding, new paint, and a two car garage. A large master bedroom, currently being used as a den, offers a cozy fireplace, vaulted ceilings, and opens to a private balcony. A huge attic offers additional space or storage.

US\$ 479,000
